CORA is a United Way of
Chatham County Member Agency

Thank you for your interest!

CORA is holding our Empty Bowls event on Sunday, February 9, 2020, at Galloway Ridge. In our tenth year, we expect to host more than 350 people at this unifying community event. Empty Bowls supports our mission of providing food to children, individuals, and families within our community who are in need during difficult personal economic times.

The Empty Bowls concept is simple: Artists of all ages, skill levels, and mediums will donate hundreds of handmade bowls, guests choose a handmade bowl and enjoy delicious restaurant tastings, home-baked bread and desserts. Participants take their bowls home with them as a symbolic reminder that someone's bowl is always empty and that we must work together to end hunger in our community. We hope that you will help us make this event an amazing success.

CORA is a place where the community comes together to help ensure that none of our neighbors go hungry. Thanks to the vision, generosity, and hard work of hundreds of individuals, businesses, churches, and organizations and volunteers CORA is the success that it is today. **However, at present, we are realizing a nearly 60% increase in demand for our services due to cuts in Social Service benefits and CORA's expansion: adding weekend hours, starting a Mobile Market in Siler City, and the closure of a local food pantry. The success of this event is crucial to helping us meet this increased demand.**

In addition, this event is a great opportunity for your company to increase its brand awareness in Chatham County. Your partnership with CORA will create positive public perception and educate guests and the community about your company's commitment to helping your neighbors. I have attached materials that outline the sponsorship levels. It is my hope that we can count on your commitment to help us achieve our fundraising goal of **\$25,000**.

We hope you will join us as a sponsor and help us further our work.
