COVID-19 Policy

This policy is in response to COVID-19 and our commitment to the safety and health of our staff, volunteers, and clients.

CORA requires all employees, volunteers, clients, and visitors, regardless of vaccination status, to wear a face-covering at all times.

If a volunteer or staff member tests positive:

- Quarantine for 10 days
- Receive negative test result; and
- Must be fever free for 24 hours (even without medication); then
- Return to CORA once completely symptom-free

If a volunteer or staff member is exposed to someone with Covid:

- Quarantine for 5 days
- Receive negative test result 5 days post-exposure; and
- Must be fever free for 24 hours (even without medication); then
- Return to CORA once completely symptom-free
