EMPTY BOWLS - 2024

Thank you for your interest!

CORA is holding our 12th annual Empty Bowls event on Saturday, March 2, 2024, at Pittsboro United Methodist Church's Family Life Center. We expect to host more than 300 people at this unifying community event. Empty Bowls supports our mission of providing nutritious food to community members facing food insecurity.

CORA is a place where the community comes together to help ensure that none of our neighbors go hungry. Thanks to the vision, generosity, and hard work of hundreds of individuals, businesses, churches, organizations, and volunteers, CORA is the success that it is today. As household expenses continue to climb, families are experiencing food insecurity in alarming numbers, and the lines at CORA grow longer. **We need your help! The success of this event is crucial to helping us meet this increased demand.**

The Empty Bowls concept is simple, artists of all ages, skill levels, and mediums will donate hundreds of handmade bowls; guests choose a handmade bowl and enjoy delicious restaurant tastings, home-baked bread, and desserts. Participants take their bowls home as a symbolic reminder that someone's bowl is always empty and that we must work together to end hunger in our community. We hope you will sponsor this event and help us make it a fantastic success.

In addition, this event is an excellent opportunity for your company to increase its brand awareness in Chatham County. Your partnership with CORA will create a positive public perception and educate guests and the community about your company's commitment to helping your neighbors in need. I have attached materials that outline the sponsorship levels. **I hope we can count on your commitment to helping us achieve our fundraising goal of \$30,000.**

We hope you will join us as a sponsor and help CORA build a healthy, strong, and connected community where all people have equitable access to abundant, safe, nutritious, and culturally relevant food.
